Hi everyone,

I just heard from OAR that they will be passing the RLSO version (which addressed Janet's most recent comments) of the FIP to Janet today and it should hopefully be heading to OP on Monday. I am not in the office today, but I will be monitoring email periodically in case anything comes up. Let me know if you have any questions.

Thanks,

Dee

Hi everyone,

I just sent a RLSO version of the FIP to OAR addressing all of Janet's comments. Once OAR is ok with how we addressed the comments, the FIP will move to OP. I will let you know as soon

as I hear an update on the timing of sending this to OP. OP has up to 10 days for their review before it heads to OMB. Let me know if you have any questions.

Thanks,

Dee

Hi there,

I just received Janet's comments on the FIP. She has comments on only 15 pages (of the 133 in the document). The note on the top of the document says "Region 8 – Good job on this! I noted just a few things in the preamble." Looking through these comments quickly, I think they will be fairly easy to address, most are language edits. I am attaching her comments in case you are interested. We will work on addressing these edits and then moving the document to OP. Let me know if you have any questions.

Thanks,

Dee
